a **Repetition loop** 421-018 · March 21, 1973 · EOB

Reference (WSPF)	Nixon: Well, John, you, uh, you, uh, you must feel that's, uh, is enough. Dean: No [unintelligible] Ehrlichman: Now, let's, let's try another, let's try another concommitant to that. Supposing Mitchell were to step out on that same day
Whisper alone	*As for that concept, John, you were, you were, you were, you were, you were, you were, … ('you were' 16 times in all) … I don't know what he would say*
Corrected layer	*But, John, you, you want to do that, Well, I don't think it's good. Now, let's, let's try another, let's try another comment for that. Supposing Mitchell were to step out on that same day*
